

INTERNATIONAL STUDENT  
DESIGN COMPETITION FOR

**BHARAT TEX**

2025

**NATIONAL INSTITUTE OF FASHION TECHNOLOGY  
INTERNATIONAL STUDENT DESIGN COMPETITION FOR  
BHARAT TEX 2025**

**ANNOUNCEMENT OF RESULTS OF PHASE II**

The International Student Design Competition has received an overwhelming response from talented students across the globe, with participants representing diverse backgrounds, cultures, and perspectives, showcasing the power of design to transcend borders and unite creative minds from all corners of the world.

The overarching theme, '*Sustainable Future: Innovation with Indigenous Knowledge*,' inspired a diverse range of entries. After being reviewed by expert academicians from the National Institute of Fashion Technology in Phase I, the entries for Phase II were judged by leading experts from the fashion and lifestyle industry. Reviewing them proved to be a rewarding challenge, as the submissions highlighted the potential of blending traditional indigenous knowledge with contemporary innovations aimed at a sustainable future.

After rigorously reviewing superlative submissions from around the world, the works of the following candidates have stood out for design, actualisation and finish. We congratulate the candidates who are now very close to the winning stage. The listing furnished below is in alphabetic order and is not indicative of any ranking or merit.

Sl. No	Candidates	Institute Name
1.	Akshara Pandey	NIFT, Bhopal
2.	Anurita Jana and Bishal Saikia	NID, Gandhinagar
